**Minutes of the meeting Chaired by Principal Secretary to PM on 18.05.2015 at 11.00AM in South Block on Pradhan Mantri Krishi Sinchai Yojana (PMKSY).**

.....

A meeting on Pradhan Mantri Krishi Sinchai Yojana (PMKSY) was held on 18.05.2015 at 11.00 AM under the Chairmanship of Principal Secretary to Prime Minister. List of participants is enclosed.

After detailed deliberations, following decisions were taken :-

- Agriculture Department should prepare a comprehensive document outlining the vision of PMSKY in consultation with MoLR & Ministry of Water Resources.
- This document should *inter-alia* mention:
  - (i) Likely requirements for achieving comprehensive irrigation coverage to all farmers of the country ( *Har Khet ko Pani* ).
  - (ii) Strategies to encourage water use efficiency (more crop per drop).
  - (iii) Likely outcomes of the current year given the budgetary allocation of the current fiscal.
  - (iv) Outline of District Irrigation Plan. However, in some cases on account of basin structure, the plan may cover more than one district.
  - (v) Various sources from which funds may be used for creating water source and water use efficiency enhancement at field level, for example pooling from MGNREG, RIDF, MPLAD, MLA LAD, local body funds.

- The proposal for National Steering Committee under the Chairmanship of PM was accepted. However, a confirmation to this effect shall be conveyed. National Executive Committee may be chaired by Vice Chairman, NITI Aayog.
  - Flood Management Programme and inter-linking of river be kept out of PMSKY.
  - Ministry of Water Resources to indicate the modalities for ensuring coverage of at least 10% of command area under micro/precision irrigation. (to ensure more crop per drop).
  - It was agreed that approval of CCEA be sought on the basis of budget allocation of the current fiscal. However, the issues mentioned above may also be reflected in the note.
-
